O R D E R

IT IS ORDERED that Mountain Utilities, Inc. shall file an original and ten copies of the following information with the Commission (with a copy to all parties of record) by January 29, 1982:

1. A complete breakdown with full explanation of each pro forma adjustment to revenues and expenses.
2. A complete breakdown of the current rate case expenses (both projected and incurred expenses).
3. A listing of all common employees of Martin Gas, Mountain Utilities and East Kentucky Gas showing the employee's name, and his (her) test period wage or salary allocated to each company.
4. A breakdown of the expenses charged to Vehicle Operations during the test year by category of expense such as gasoline, oil, repairs, etc.

5. Supply invoices with attached summary detailing all charges to office expense during the test period. If certain expenses as shown on the invoices are allocated between the three gas companies listed above, state so on the copy of the invoice and state how the amount allocated the Mountain Utilities was determined.
6. A breakdown of rent expense showing the allocation between the three above-mentioned companies (if any). Also, show the method of apportionment.
7. Supply a copy of the depreciation schedule in detail for plant in service.
8. Provide a summary of Mountain Utilities long-term debt. Please include the principal amount the current portion due and the interest payment for each security. Also, provide a calculation of the companies debt service.
9. Provide the basis used to derive or support the requested 14% rate of return on the net investment rate base.

Done at Frankfort, Kentucky, this 11th day of January, 1982.
